

# Student-Led IEP Action Planning

	Building Self-Awareness	Understanding Your IEP	Preparing for Participation	Student-Led IEPs
<b>Now:</b> What does your student know? What can your student do?				
<b>Future:</b> What would you like your student to know and be able to do?				
<b>Facilitators:</b> What supports and systems exist in your student's life and/or your school community to support their growth?

<b>Challenges:</b> What challenges exist in your student's life and/or your school community that may hinder their growth?				
<b>Resources:</b> How can you use OSSE's Student-Led IEP toolkit to start to overcome some of the challenges facing your student, their family, and your school community?				
<b>First Step(s):</b> What step(s) can you take immediately to move your student from where they are now to where you want them to be in the future?
